

ISO Class 6 Insurance Rating - Saves 15%-20% on your Homeowner's Insurance

Monday, 13 February 2006

Stony Hill Rural Fire Department has achieved an ISO Rating of 6. This rating will give residents of the Stony Hill Fire Department's insurance district approximately 15% to 20% savings on their Homeowners Insurance when compared to a Class 9 rating that many rural fire departments possess. Thanks to all of the fire department personnel that helped to achieve this new rating. More information on insurance ratings and ISO is located at: N.C.
